

# KACTS Metropolitan Transportation Plan

Southern Maine in Motion is the 20-year transportation plan for the Kittery Area Comprehensive Transportation System (KACTS) region.

## Our Vision

The KACTS region is the gateway to Maine, encompassing the towns of Berwick, Eliot, Kennebunk, Kennebunkport, Kittery, South Berwick, Ogunquit, Wells, and York. Our vision is of a KACTS region that is resilient, sustainable, and connected, with a safe and efficient multimodal transportation system that provides access to opportunity and age-friendly choices for all.
